Volunteer Position Description

Social Media Ambassador Volunteer

Job Title: Social Media Ambassador Volunteer

Purpose: To support the mission of the ambulance service by providing assistance with photography and social media campaigns

Key Responsibilities:

- Assist in creation of content for social media by attending special events and community events to take photos
- Share important social media posts and encourage others to share
- Provide ideas for campaigns and content
- Promote a positive image of the organization in the communities we serve
- Other duties as assigned

Reports to: VP of Marketing and Public Affairs and Community Relations Coordinator

Length of Appointment: Volunteers will remain in their positions unless:

- Volunteer is hired at EHP
- Volunteer takes on another volunteer role (Student, Level II...etc.)
- Volunteer provides a written resignation
- Volunteer is removed from the program for other reasons

Qualifications:

- 18 years or older
- Legally authorized to work in the United States
- Satisfactory Background Check and Drug Screening Results
- Volunteers must complete and pass all required training provided by ambulance service

Support: Training for this position will be provided by the ambulance service and community relations staff.

Dress Code: Volunteers will wear a company issued shirt with logo. Their company issued ID must be worn at all times.
