Volunteer Position Description

Student Volunteer

Job Title: Student Volunteer

Purpose: To support the mission of the ambulance service by providing assistance during special events. This position does not count toward education credit of any kind.

Key Responsibilities:

- Work on a response team to locate patients and assist as directed
- Assist with cleaning and resupply as necessary
- Participate in 3rd Rides
- Support licensed personnel as directed
- Promote a positive image of the organization in the communities we serve
- Participate in community education and events
- Other duties as assigned

Reports to: On Duty Supervisor and Community Relations Coordinator

Length of Appointment: Student volunteers will remain in the position throughout their course of study with HVA EMS Education and will have the opportunity to apply as a non-student volunteer upon graduation from the program.

Qualifications:

- Student volunteers must be a current student of HVA EMS Education who is in good standing and has completed the necessary steps to attend clinicals.

Support: Students can anticipate support from on duty supervisors, education staff, and community relations staff where appropriate.

Dress Code: Students are required to adhere to the student uniform policy. Student volunteers are required to wear their student uniforms and ID badges at all times.
