REPETITIVE AMBULANCE TRANSPORT FORM (PCS)

Physician Certification of Medical Necessity Statement

A Physician Certification Statement (PCS) is required by 42 C.F.R. 410.40(d)(2) and (3), for the Centers for Medicare/Medicaid (CMS) on all scheduled and unscheduled non-emergency transports. For repetitive patients (e.g., dialysis or radiation) this authorization must be completed and signed by a Physician. Failure to return the required documentation may result in an interruption of service and may cause a financial burden to the patient.

In my professional medical opinion, this patient requires transport by ambulance and should not be transported by other means. The patient's condition is such that transportation by medically trained personnel is required. I certify that the above information is true and correct based on my evaluation of this patient, to the best of my knowledge. I understand that this information will be used by the Centers for Medicare and Medicaid and/or its agents to support the determination of medical necessity for ambulance services.
