IMMUNIZATION EXTRAS

All declinations and exceptions will be provided to students on the first day of class, upon request.

Medical and Religious exemptions are granted on case-by-case basis and there is no guarantee it will be accepted.

Requirements are set forth by our clinical sites, which are subject to change at any time.

If you have a declination for any vaccine other than Hepatitis B, you are not permitted to do clinical rotations at Michigan Medicine.

If you have any questions, please email:
